PRESS RELEASE

PREDCI Director Elected to Governor's Team

Betty Mosburg to Serve on State Economic Development Marketing Team

Guymon, Okla.-

*By Miranda Gilbert
Special Correspondent*

Betty Mosburg, Executive Director of Panhandle Regional Economic Development Coalition, Inc. (PREDCI), has been elected a member of the Governor's Development Marketing Team.

Mosburg was officially welcomed and introduced to the team Nov. 10 at the Department of Commerce in Oklahoma City.

Mosburg, who has worked for PREDCI for the past six years assisting new and existing businesses in their growth and development, will now have the support of the state's GDMT to continue to bring new business to the Oklahoma Panhandle Region. The GDMT conducts various economic development programs such economic development marketing, call trips, trade missions, promotional campaigns and other team projects both international and domestic.

Mosburg, along with each member, is screened to meet various criteria regarding established employment in the field of economic development, state residency standards, additional economic organization memberships and annual educational requirements.

PREDCI is located in the Guymon Business Enterprise Center at 802 N.E. Sixth Street in Guymon.
